## *A BETTER FLY TRAP*

Restaurateur Hoss Zaré has ushered a 110-year-old San Francisco dining institution into the modern day. **Zaré at Fly Trap** still boasts pressed-tin ceilings and walls papered with old-world maps, but it has been updated with two mahogany communal tables, a jolt of red on the walls and outdoor seating in a modern urban garden. 606 Folsom St., SF; 415-243-0580, zareflytrap.com.
